Anything is Possible

Only if we keep our minds open to possibilities...

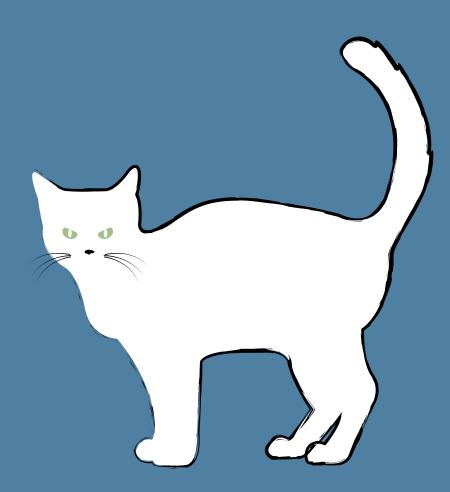

A Pink Cat!!! Cats are never pink...

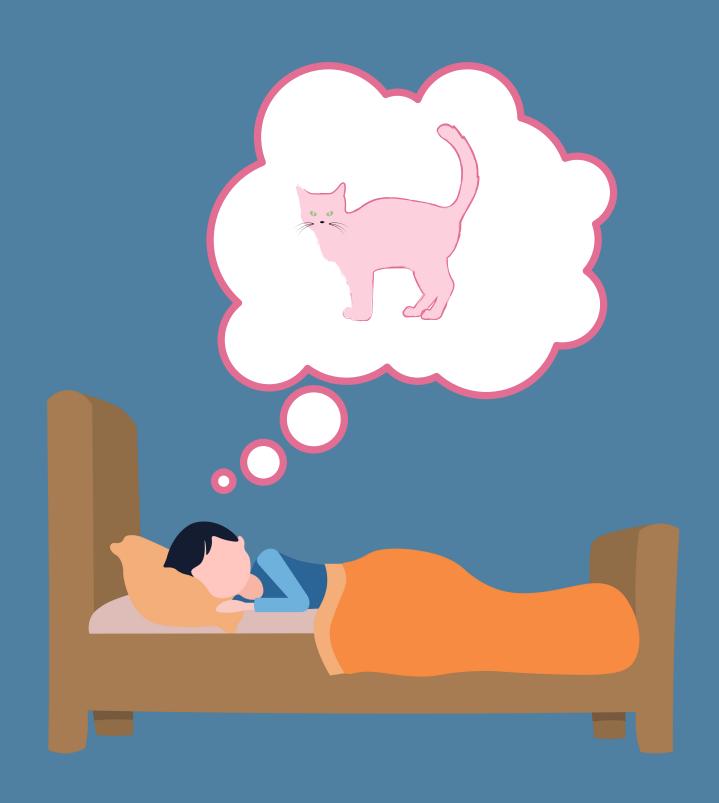

Or can they be?...

A white cat who fell in a can of pink paint can become a pink cat...

A child dreaming of a pink cat ...

A fictional character on TV or Movie

Cats can be green, upside down, invisible, wearing boots, meditating, dancing and many more... only if we allow our mind to be open to possibilities

What's your pink cat?
